Dear Parent/Carer

Re: Twickenham & Wimbledon Bubble

As you are aware, we have class bubbles in place across the school to reduce the risk of transmission of Covid-19. This system is in line with our school risk assessment and has been approved by our Trust.

We are constantly reviewing our systems to ensure the very best provision, in line with the restrictions, is offered to all pupils.

As such, **from Monday 7th December Twickenham and Wimbledon will be joining up as one bubble.**

This move will facilitate Mrs Kelly (Science specialist) being able to deliver GCSE Science lessons to both groups and Mr Maltby (PE specialist) able to deliver PE/Enrichment to both groups. Furthermore, it increases the staffing capacity within the bubble and as a result, reduces the chance of the bubble being closed due to staffing levels. With pupils in this bubble working towards their GCSE qualifications, I want to ensure we are being proactive in doing all we can to keep classes open.

Wimbledon Class – the timetable will stay exactly the same with lessons at the same time as they are now. The only change seeing Mrs Kelly replace Mr Maltby for Science lessons.

Twickenham Class – the class will move classrooms so they are next door to Wimbledon. This ensures that the bubble is close to each other and in their own part of the school building. Additionally, there will be some changes to lesson slots including a change of PE day. A copy of the new timetable will be sent separately to Twickenham parents/carers.

To summarise, this new bubble will consist of 23 pupils and be effective from Monday 7th December 2020.

Every second to be

Valuable, **I**nspiring, **P**ersonalised

If anybody has any questions related to this letter, please feel free to contact me or one of the class team. I am always more than happy to talk to parents/carers as I fully appreciate that these times are challenging.

Yours sincerely

Ashley Caress

Head of School
