Dear Parent/Carer

Re: Secondary Age Pupils LFT

As you might be aware there is an increase of Covid cases nationally and locally. We are monitoring the situation closely at school and have kept you informed of developments throughout the week.

In order to keep the school community safe, we'd like to ask you to test your child (only secondary aged children at present) daily from Monday 14th until Friday 18th March when we will review the measures taken. Please make sure LFD are taken before your child goes on transport. We are happy to support with testing on site if you are struggling to achieve this at home. Please contact Katie Bennington on katie.bennington@ganf-cit.co.uk directly to discuss.

Please report LFD test results daily using the link below:

Thank you as always for all your support and understanding!

Yours sincerely

S Plamenova
