

DESIGN & TECHNOLOGY

Dare To Design?

<p>1 Draw a small electrical item from your kitchen in 3D (Extra challenge - draw in pen!)</p> 	<p>2 Design & host a new competitive small ball game. Make sure you design clear instructions for your household too (Don't forget, name your game)</p> 	<p>3 Create a map of your local area, in the style of Harry Beck (Use Google Earth to check key features)</p> 	<p>4 Write an acronym for the word DESIGN (You could make an acronym for your own name describing you)</p> 
<p>5 Upcycle an old T-Shirt (Make sure you ask for permission first!)</p> 	<p>6 Draw your ideal garden in 2D plan view (From above). Then add gentle soft colour practising wood, stone & texture render</p> 	<p>7 Generate an Art Deco inspired school bag for life.</p> 	<p>8 Design a PicCollage to send to someone to show you care (*Free App)</p> 
<p>9 Participate in an online design museum free virtual tour (You could create an info poster & share this)</p> 	<p>10 Make a mini domino obstacle course</p> 	<p>11 Design a new clock for your bedroom - But what else can this clock do? Add an extra feature or function! (Feel free to share your designs with your class)</p> 	<p>12 You could create nail & string Art (Ask for permission first)</p> 
<p>13 Make & decorate a letter for your room (Or even a full word)</p> 	<p>14 Continuous line drawing fun - Draw a member of your household but don't let your pencil leave the paper (Get them to draw you too)</p> 	<p>15 Design a family board game together</p> 	<p>16 Try origami (Craft of card folding to make a 3D item)</p> 
<p>17 Go on iPlayer & watch one of the 'Inside the Factory' BBC2 shows</p> 	<p>18 Design an album cover which defines you & your personality</p> 	<p>19 Try a new online design competition (Ask for permission first)</p> 	<p>20 Re-design your house on Google SketchUp (*Free software, set up using school email)</p>
