Dear Parent/Carer

Re: Travel Training

Your child has been selected to participate in our in school Independent Travel Training Programme. It will involve working in a small group and independently with a TA (Mrs Dalglish) looking at;

- Personal safety
- Road and walking safety
- Planning a journey
- Finding their way
- Solving problems if the unexpected happens

This will be covered in the classroom as well as practical outdoor activities in the local area. The sessions will start on Wednesday during afternoon registration and will continue until we feel that personal targets have been met. We will keep you informed on progress so that you are able to continue to promote the life skills your child has learnt on this programme.

Please do not hesitate to contact me should you have any queries, or requests on certain aspects of travel training you would like us to focus on.

Yours sincerely

Jo Corral
