Dear Parents/Carers

Re: Positive COVID Cases

I am writing to inform you that a few members of our school community have tested positive for COVID.

In line with guidance your child should continue to attend school. We ask that you are extra vigilant at this time and that you do not send your child in if they have symptoms or test positive with an LFD test. Please continue testing secondary aged children twice a week to keep everyone safe.

As at all other times - should your child develop any COVID symptoms or test positive on LFD test then you should:

- Ensure that a PCR test is taken.
- Ensure your child self isolates until the result is given.
- Await a negative result. Then if your child no longer has symptoms they should return to school.
- Isolate as told by test and trace if the result is positive.

Please advise school immediately using the normal process of reporting an absence if:

- Your child has a positive LFD Test
- Your child has had a positive PCR test and the NHS date for return
- Your child has had a negative PCR test and is returning to school

Please be assured that we are:

- Continuing with our increased cleaning regime
- Cleaning hands regularly
- Limiting the way in which resources are shared
- Keeping windows open to aid ventilation.
