Dear Parent/Carer

**Re: Covid Testing**

Thank you for your continued support with Covid-19 home testing.

We know how important it is for you to be able to send your children to school.

You should encourage your children to continue testing at home during the December school holiday. All results should be reported on [www.gov.uk/report-covid19-result](http://www.gov.uk/report-covid19-result)

All pupils have been issued with boxes of test kits. You can help them to take the test and report their results. If you do still require more home testing kits to continue testing over half term, you can also order more online for free through [gov.uk](http://gov.uk) or collect from your local pharmacy.

By testing your child twice a week during Christmas holidays, you will help us to reduce transmission of Covid -19, keep your child in school and GANF Schools open. This will minimise disruption to your child's education and to you and your household.

We will be also offering on site testing for children 12 years old and over at the start of Spring Term.

Please complete permission form attached if you haven't had a chance to do that yet or your child turned 12 recently.

Thank you for your support and have a wonderful Christmas and New Year.

Yours sincerely

S Plamenova

Stela Plamenova

Executive Headteacher - GANF
