Dear Parents/Carers

Re: Positive COVID Case

I am writing to inform you that a member of our school community has tested positive for Covid.

In line with guidance your child should continue to attend school but we ask that you are extra vigilant at this time and that you do not send your child in if they have symptoms or test positive with an LFD test.

As at all other times - should your child develop any Covid symptoms or test positive on LFD test then you should:

- Ensure that a PCR test is taken.
- Ensure your child self isolates until the result is given.
- Await a negative result. Then if your child no longer has symptoms they should return to school.
- Isolate as told by test and trace if the result is positive.

Please be assured that we are:

- Continuing with our increased cleaning regime
- Cleaning hands regularly
- Limiting the way in which resources are shared
- Keeping windows open to aid ventilation.

Yours sincerely

S Plamenova
