Dear Parent/Carer

**Re: Photography Exhibition**

The Photography Team at Ambergate are hosting their first ever Photography Exhibition on Friday April 1<sup>st</sup> 2022.

Our large team comprises of four groups from Year 8 through to our 14-16 Options groups.

For the last six months they have been working hard to produce a range of incredible photographs on a number of themes, from 'Light' and 'Small World' through to 'Blacklight' and a study of the Holi coloured-powder throwing festival.

They have spent time choosing their best work, naming and displaying it, as well as producing a small range of merchandise based on their work.

The products include note cards, framed prints, book marks, keyrings and magnets.

This has been no easy task and the children are incredibly excited to showcase their work.

All classes will have the chance to come to the photography room and view the exhibition work throughout the day, as well as talk to the photographers and purchase some exclusive work if they so wish.

All the money raised will go back into purchasing more resources, as well as treating the team for all their hard work.

All the merchandise on sale will range from 50p through to £3 for the large items, so there will be something for everyone.

If you would like to send your child with some money on the day to visit the exhibition shop please feel free do so.

However, there is no obligation to buy and we hope every child who comes to visit really enjoys the exhibition!

Yours sincerely

Carly Whitbread & The Photography Team
