Dear Parent/Carer

Re: PLIMS April 2022

Please find enclosed updated PLIM targets for the next term.

Class teachers review and set PLIM (Personal Learning Intention Map) targets three times a year based on pupils' outcomes from the Educational Health Care Plans (EHCP). These plans also incorporate targets from other professionals such as Physiotherapy, Speech and Language Therapy and Occupational Therapy. Targets might also include any other needs identified by the class team. They are reviewed weekly and moderated by the Leadership Team each term.

Please note that targets will be reviewed in July or earlier depending on your child's progress.

Please could you sign and return a copy of your child's PLIM targets to school. If you wish to discuss the targets, then please contact us.

Yours sincerely
