Dear Parents/Carers,

Re: Autism Accreditation Survey

As you will be aware, Ambergate Sports College will be having an in-depth assessment for the NAS Autism Accreditation in June 2022. Sandon School was awarded the full Accreditation back in October 2020.

As part of the assessment the NAS carry out a survey for autistic people, their families and if applicable other professionals who work alongside to feedback on the provision being assessed.

The survey for autistic people is intended for any autistic adult or young person over the age of 16. This will be completed in school. It can be completed by the autistic person with support if necessary.

The survey for the families and carers of autistic people is available using the following link:

<https://forms.office.com/r/Nt6b8YfFTG>

If your child has a **diagnosis of ASC** please could you click on the link and complete the survey by Friday 10th June 2022.

This link will also be available through the GANF website www.ganf-cit.co.uk where you can also find more information about the Accreditation and the provision that Ambergate Sports College has for our autistic pupils. This information can be found within the Curriculum tab under Autism Accreditation.

Finally, we would like to say thank you to all the staff and pupils who continue to work super hard to ensure our school is the best it could be.

Many thanks

Joanna Morgan

Teacher
