Dear Parent/Carer

Re: Staff Changes

I am writing to inform you of some staffing changes that will be taking place in some classes due to three TA's leaving. I am pleased to confirm that we have successfully appointed three new teaching assistants. As you can appreciate, we have no control over if/when a staff member chooses to resign, and it takes time to be able recruit.

We do our very best to minimise change for our pupils as we know this can often be difficult for them especially when they build strong relationships with staff.

In addition, when we have new staff, we need to ensure that we balance familiar and experienced staff with new or less experienced staff across each class. I want to reassure you that we are working very hard to support pupils with developing resilience to change as this is what we know happens in life.

Today pupils will receive a letter to explain which staff will be in their class. In many cases there are no changes. Below is a list of the staff structure so you can see if your child's class have experienced any change.
